**Toys s Heritage Chinese Garden**

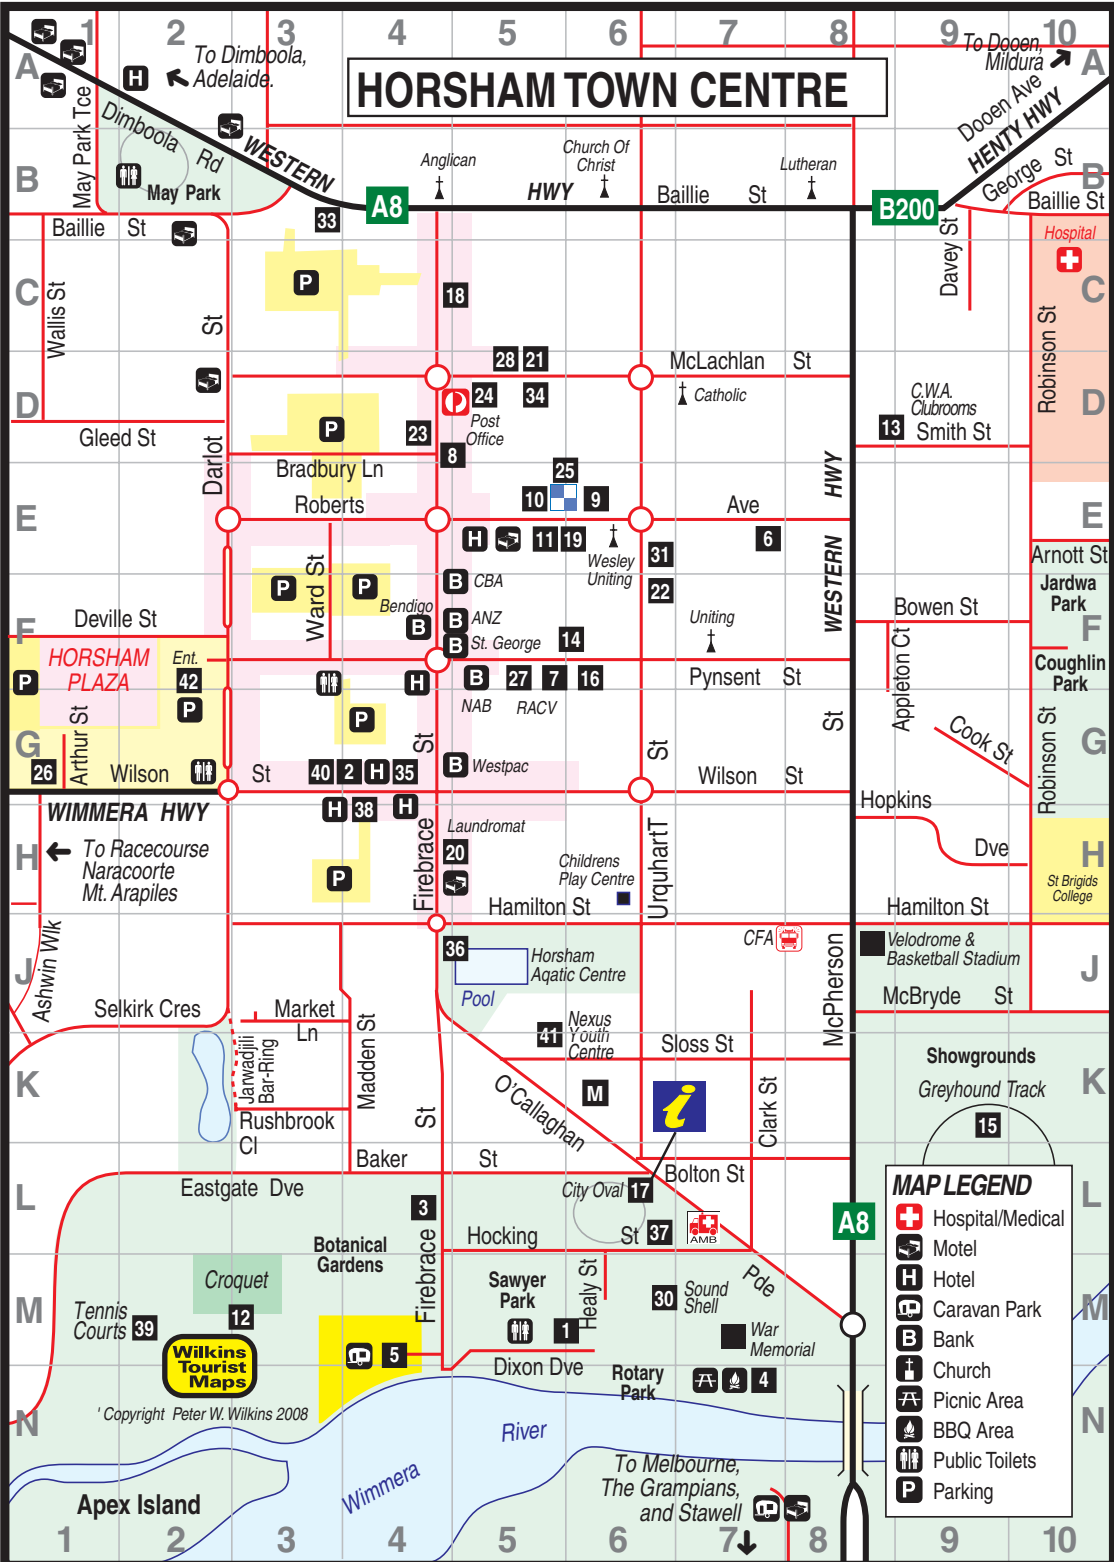

The mini golf course at Toys

One of Horsham's newest attractions has been added beside Toy's Chinese Restaurant on Stawell Rd with extensive Chinese Gardens and a wonderful mini-golf course which is one of the most challenging and interesting you will see. Set on a large area of land with landscaped walks, a small lake with a bridge across it and numerous plants and shrubs set amongst local stone, the gardens are attractive and restful. Restaurateur Leon Toy has been developing the project for several years and it is now reaching completion. It will become one of the most visited attractions in the region and is well worth a visit and a round of the mini-golf course which can be arranged through the restaurant.

For more detail on this fascinating area of Victoria see the Grampians National Park downloadable brochure on this site under Downloads .

Welcome to Horsham and The Wimmera, one of the richest farming areas of Victoria, and a vast touring centre offering a range of attractions varying from desert wilderness to the lush fern-glades and waterfalls of The Grampians; from the sheer rock face of Mt. Arapiles, to the plains around Wyperfeld National Park. Near Natimuk, the world renowned Mount Arapiles offers the challenge of sheer rock faces which attract climbers from all over the world, to pit their skills against the many climbs; or, you can just drive to the top and enjoy the spectacular view as you watch the climbers ascending. A little further afield, at Stawell, Great Western and Ararat, a pleasant hour or so drive away, are some of the better known wineries in Australia. Tastings and cellar door sales attract thousands each year to buy and sample their fine products. In Horsham there are many fine places to visit, and first class accommodation is listed on this map. Many have excellent restaurants and other fine restaurants and take away food outlets will be found around the city and some are listed here. Wilkins Tourist Maps produce a free map of Horsham available locally.
